

University *of* Maryland Baltimore

About the University

- Founded in 1807, the University of Maryland, Baltimore (UMB) is Maryland's only public health, law and human services university. Six professional schools and a Graduate School confer the majority of healthcare, human services, and law professional degrees in Maryland each year.
- The mission of UMB is to improve human condition and serve the public good of Maryland and society at-large through education, research, clinical care, and service.

Construction Service Center

- The University System of Maryland has two designated Regional Service Centers for Capital Improvement procurement, UMB and University of Maryland College Park. (UMCP)
- UMB is responsible for providing Capital Improvement procurements for the USM Institution in the Baltimore region, which includes Coppin State University, Towson University, University of Baltimore and the University of Maryland Baltimore County.
- UMCP provides the services for all other USM Institution.

Strategic Sourcing & Acquisition Services (SSAS)

- One department, one philosophy, “Provide strong customer oriented service to the campus with a focus on meeting our customer’s needs while adhering to sound business practices.”
- Comprised of Construction Procurement Group, General Procurement Group and Business Development Group.
- SSAS Website: www.umaryland.edu/procurement

Strategic Sourcing & Acquisition Services (SSAS)

How To Do Business With UMB

- Visit UMB website at www.umaryland.edu/procurement
- Contact the buyer for the commodity/service you provided. Buyers and their commodities/services are listed on the website.
- UMB is an open campus. This means you do not have to come through SSAS first to talk to Departments. However, you must schedule the meeting with the department.
- Contact Kathy Bordenski, Business Development Program, kbordenski@umaryland.edu, 410.706.5122
