- Capital Program – Projects \geq \$100K –
- Capital program- 500M +
- Operating Program – Routine operations (e.g., inspections) & projects $<$ \$100K
- Operating Budget Contractual - \$45M/year

Capital Budget Attainment

Types of Contracts and Services Solicited

- Architectural & Engineering Design Services contracts
 - Comprehensives & Discipline specific
 - Varied scope & value; MBE & SBR opportunity for subcontracting
 - RFP
- Construction Management and Inspection Services contracts
 - Varied scope & value; MBE & SBR opportunity for subcontracting
 - RFP
- Condition Inspection Services contracts (Bridge & Structure Inspection)
 - Varied scope & value; MBE & SBR opportunity for subcontracting
 - RFP

Types of Contracts and Services Solicited ...

- **On-call Construction Contracts (Workorder based)**
 - Structures, Highways, Facilities, Electrical, Environmental, Traffic
 - MBE & SBR opportunities for subcontracting
 - IFB, Design-Bid-Build procurement
- **Construction Contracts with Specific Scope**
 - Highway & Bridge – Construction, Replacements and Rehabilitation
 - Interchange, Facility Rehabilitation, Electrical, ITS, TSMO
 - MBE & SBR opportunities for subcontracting
 - IFB and Plans
 - Design-Build, Design-Bid-Build and CMAR

Multidisciplinary Projects

HT-3014: I-895 All-Electronic Tolling Conversion, Frankfurst Ave/ Shell Rd – Design-Build

KH-3020: I-95 ETL Northbound Extension – MD 24 to Bynum Run

**Maryland Business Opportunities
& Entrepreneurial Training Summit**

Structures

HB-3001: Cleaning and Painting of US 40 (Hatem Bridge) – MBE & VSBE

Environmental

MR-3030 : Environmental On-Call Phase IV – MBE & VSBE

KH-3036: I-95 ETL NB Ext. Willoughby Beach Mitigation

MR-3018: Drainage Rehabilitation – Phase III – Outfalls – MBE & VSBE

**Maryland Business Opportunities
& Entrepreneurial Training Summit**

Traffic, ITS & Electrical

MA-3017: Radio Rebroadcast in BHT & FMT – MBE & VSBE

FT-3016: FMT Facility-Wide Zone Paint Program – MBE & VSBE

**Maryland Business Opportunities
& Entrepreneurial Training Summit**

Highway

MR-3032: On-Call Civil Repairs – MBE & VSBE

**Maryland Business Opportunities
& Entrepreneurial Training Summit**

Facilities

MR-3020: On-Call Facility/ Building Repairs – MBE & VSBE

A&E Comprehensive Preliminary Engineering and Final Design Services

2022-02B: SBR Construction Management and Inspection (CMI) Services – MBE, SBR and VSBE

2019-02B: SBR Comprehensive Building and Facility Engineering and Consulting Services – MBE, SBR and VSBE

2023-02A: Comprehensive Project Planning and Miscellaneous Consultant Services - DBE

2023-01A: Comprehensive Traffic Engineering Services

A&E Comprehensive Preliminary Engineering and Final Design Services

2022-05A: Asset Management Program Support Services

2023-02A: Comprehensive Project Planning and Miscellaneous Consultant Services – DBE

2023-02B: SBR Comprehensive Project Planning and Miscellaneous Consultant Services – SBR, MBE & VSBE

2022-04B: SBR Comprehensive Operational Asset Management & Support Services – SBR, MBE & VSBE

Services and Maintenance Contracts

SV-3109: Debt Collection Services for Out of State Tolls and Violations
RFP – MBE & VSBE

SV-0021-1187: Communications & Related Services – MBE & VSBE

MT-3138: Generator Maintenance – No goals

MT-0021-0896: Janitorial Services White Marsh - SBR

Information Technology (IT)

J01P4600001 – APC Server Cooling Upgrade

J01B4600002 – HPE Synergy Blades – SBR
